February 2025 News

News and Upcoming Games

February is Education Fund month. All games pay extra Masterpoints and \$1 from each play goes to the ACBL Education Fund. On February 1st we'll have an IMP pairs games. This is a normal pair game but the scoring is a little different! Similar to Swiss team scoring, overtricks don't matter very much. Games and slams have increased importance. The last GNT Swiss qualifier of the season will take place on Tuesday, February 4th at 11 am. On Saturday, February 8th we have an ACBL-wide game. This is a regular pair game but it's scored across the entire ACBL so you can win lots of extra points. On Saturday, February 22nd we are having Barometer Pairs. Reservations are required because I need to know how many board sets to prepare. This is a pair game, but all tables are playing the same boards at the same time. At the end of each round, I post a leader board, so you know how you're doing. Finally, at the end of February on Friday the 28th we will have our monthly game at Belle Harbour. Brunch is at 10 am followed by bridge at 11 am. Reservations are required for Belle Harbour as we are limited to 10 tables.

Sweetheart Sectional

The Unit 446 Sweetheart Sectional will take place from February 14 to February 16. Our club will be closed that weekend so you can play in the sectional. A schedule and flier are posted on the unit's website and can be picked up at the club.

Price Change

Starting on February 1, the regular price of our games and Coached Play is \$15. Packages of 11 tickets are available for just \$140 (\$12.72 per game). All tickets purchased are still good for 1 play regardless of the price you paid. Saturday afternoon will remain at half price (\$7). As always, we take cash, check or credit cards.
